

# 2018 5th International Conference on Chemical and Food Engineering (ICCFE 2018)

Colombo, Sri Lanka

April 04-06, 2018

## Conference Introduction

2018 5th International Conference on Chemical and Food Engineering (ICCFE 2018: <http://www.iccfe.org/>) will be held in Colombo, Sri Lanka during April 04-06, 2018.

It provides an opportunity for the delegates to meet, interact and exchange new ideas in the various areas of smart engineering materials. ICCFE 2018 aims to proclaim knowledge and share new ideas amongst the professionals, industrialists and students from research areas of smart engineering materials to share their research experiences and indulge in interactive discussions and special sessions at the event.

## Good News

### 1. Publication

Option One: International Journal of Chemical Engineering and Applications (IJCEA ISSN: 2010-0221).

Option Two: International Journal of Food Engineering (IJFE, ISSN: 2301-3664).

### 2. Famous professors as Speakers

**Prof. Sudantha Liyanage**, University of Sri Jayewardenepura, Sri Lanka;

**Prof. M. R. Riazi**, Kuwait University, Kuwait;

**Prof. K. K. D. S. Ranaweera**, University of Sri Jayewardenepura, Sri Lanka.

### 3. Academic Visit

There will be a one-day academic visit in University of Sri Jayewardenepura and Colombo on April 06, 2018.

## Important Dates

### Important Dates

Paper Submission	before December 30, 2017
Notification of Acceptance	on January 20, 2018
Registration	before February 10, 2017
Conference Dates	April 04-05, 2018
Academic Visit	April 06, 2018

## Call for Papers

Topics of interest for submission include, but are not limited to: Environmental Engineering and Sustainable Development, Process Design and Optimization, Product Innovation, Development and Economics, Nanotechnology, New Materials & Structured Products, Green Organic Synthesis Routes, Environmental Engineering & Management, Sustainable & Clean Technologies, Physical, Theoretical and Computational Chemistry, Chemical Reaction Engineering, Chemical Engineering Equipment Design and Process Design, Particulate Systems, Thermodynamics, Multifase Flows, Transport Phenomena in Porous/Granular Media, Membranes and Membrane Science, Crystallization, Distillation, Absorption and Extraction, Ionic Liquids/Electrolyte Solutions, Food Biotechnology, Food Microstructure Development and Characterization, Food Properties Including Thermal, Chemical and Mechanical Properties, Nanomaterials, Particle Technology, Mathematical Modeling in Chemical Engineering, Macromolecular Science and Engineering, Advanced Materials Processing. (For more information, please visit <http://www.iccfe.org/>)

## Submission Methods

- Electronic Submission System (pdf.):  
<https://cmt3.research.microsoft.com/ICCFE2018>
- Conference Email Address: [iccfe@cbees.net](mailto:iccfe@cbees.net)

## Contact us

Conference Specialist: Ms. Tammy Luo

E-mail: [iccfe@cbees.net](mailto:iccfe@cbees.net)
